

Axon Announces 2018 RISE Award Winners; Las Vegas Metro PD Officers Recognized for Valor

June 5, 2018

Members of law enforcement honored with special ceremony at Axon Accelerate, the leading technology conference for public safety

SCOTTSDALE, Ariz., June 5, 2018 /PRNewswire/ -- Axon (Nasdaq: AAXN), the global leader in connected law enforcement technologies, today announced the winners of the 2018 Axon RISE Awards. The RISE Awards seek to honor professionals in the public safety industry who save lives, lead by example and find innovative solutions to problems facing law enforcement today. In today's RISE award ceremony at the Accelerate user conference, Axon recognized seven members of the Las Vegas Metropolitan Police Department (LVMPD) for the valor they exemplified during the October 1, 2017 Mandalay Bay shooting which resulted in 58 deaths and more than 850 people injured. Axon also presented honorees with a donation of \$10,000 to [Nevada's Injured Police Officer's Fund](#) in memory of LVMPD Officer Charleston Hartfield who lost his life that night while off-duty. The honorees are as follows:

- Officer Josh Haynes
- Officer Steve Hutchason
- Officer Andrew Krnjeu
- Officer Ashley Lif
- Dispatcher Sheri Matlock
- Special Events Coordinator Cecilia Rodriguez
- Officer Sam Wittwer

TASER's Axon brand includes a growing suite of connected products and services from body cameras and digital evidence management tools to mobile apps.

Each honoree, along with hundreds of other LVMPD officers, played a significant role on the night of October 1, 2017 when a gunman opened fire on concert-goers from a window in the Las Vegas Mandalay Bay Hotel. This incident is the deadliest mass shooting by an individual in recent US history. The honorees are recognized for their specific acts of valor that night which included escorting concert goers to safety, calmly fielding hundreds of dispatch calls, and taking fire to protect others.

"We can think of no better group of people to recognize for the RISE Award for Valor," says Axon CEO and founder, Rick Smith. "It's impossible to even imagine being in the shoes of law enforcement when their work day consists of putting their own lives at stake in order to save members of the community. We are honored to be able to recognize these tremendous members of Las Vegas Metro PD in person and offer a donation in memory of Officer Hartfield."

About Axon

Axon is a network of devices, apps, and people that helps law enforcement become smarter and safer. Our mission is to protect life. Our technologies give law enforcement the confidence, focus, and time they need to keep their communities safe. Our products impact every aspect of an officer's day-to-day experience:

- **In the field** - Our Smart Weapons offer a less-lethal intermediate use of force response and our body-worn and in-car cameras collect video evidence to capture the truth of an incident; and our mobile applications enable simple evidence collection.
- **At the station** - Our secure, cloud-based digital evidence management solution allows officers and command staff to manage, review, share, and process digital evidence using forensic, redaction, transcription, and other tools.
- **In the courtroom** - Our solutions for prosecutors make collaborating across jurisdictions and agencies easy so that cases can be resolved quickly.

We work hard for those who put themselves in harm's way for all of us. To date, there are more than 226,900 software seats booked on the Axon Network around the world and more than [200,000](#) lives and countless dollars have been saved with the Axon Network of devices, apps and people.
