

Mesquite (TX) Police Department Orders 200 TASER X2 ECDs

Mesquite (TX) Police Department Orders 200 TASER X2 ECDs **SCOTTSDALE, Ariz.** - TASER International, Inc. (NASDAQ: TASR), a global provider of safety technologies that protect life, prevent conflict, and resolve disputes, today announced two orders for its new TASER X2 electronic control device (ECD) and a significant order for its TASER X26 ECD.

TASER received the first order from the Mesquite Police Department (TX) for 200 TASER X2 ECDs, 2,830 Smart cartridges and various related accessories. The TASER X2 was launched in 2011 as TASER's next generation ECD which provides a second shot capability, charge metering for improved safety, Trilogy logs with detailed firing and electrical pulse information, automatic shut off ability, compatibility with TASERCam HD color high definition video camera system and free data upload access to TASER's Evidence.com secure, cloud based data storage and management solution.

The second order received is from the Florida Fish and Wildlife Conservation Commission (FL) for 162 TASER X26 ECDs with extended warranties, 660 TASER cartridges and various related accessories.

The third order received is from an unnamed international customer for 91 TASER X2 ECDs with extended warranties, 583 TASER cartridges and various related accessories. Further customer information is not being released at this time.

The above orders are expected to ship in the first quarter of 2012.
