SCOTTSDALE, AZ -- (Marketwire) -- 03/14/13 -- TASER (NASDAQ: TASR) today announced multiple new orders of its TASER® Smart Weapons. These orders were received in the first quarter and are expected to ship in the first quarter.

Significant new orders:

Additional agencies ordering TASER Smart Weapons and various accessories:

- International Order - X2s
- Santa Ana Police Department (NM) - X2s
- Tulsa Police Department (OK) - X2s

"TASER International is pleased to announce these agencies upgrading to our new TASER Smart Weapon Platforms for enhanced performance, ruggedness, safety and analytics," said Rick Smith, CEO and founder of TASER. "Some of these agencies are using our TASER Assurance Plan which allows agencies like the Buncombe County Sheriff's Office to go full deployment with full protection over the program's service life. The TAP is an essential and cost-effective means of supporting their mission to improve safety for their communities and officers," concluded Smith.

The TAP is a warranty/replacement program that allows the agency to maintain its current X2/Flex program worry free with a no questions asked warranty including on-site spare equipment so officers experience zero downtime. It also refreshes an agency's entire arsenal of related equipment after the fifth year.
