

Axon Announces Orders for 12,000 TASER Smart Weapons

SCOTTSDALE, Ariz., Feb. 15, 2018 /PRNewswire/ -- Axon (Nasdaq: AAXN), the global leader in public safety technology, today announced the receipt of multiple orders for its TASER X26P and TASER X2 Smart Weapons. These orders were received in the fourth quarter of 2017 and the first quarter of 2018 and are expected to have shipped by the end of the first quarter 2018.

"We are dedicated to developing technology that makes the world a safer place and where every officer has the best technology and training to minimize the chances of a deadly encounter," says Rick Smith, Axon CEO and founder. "We're greatly encouraged that most of these orders for our life-saving equipment utilized our TASER 60 payment plan that provides a new, simpler alternative for allowing Smart Weapons to be a budgetary line item providing better financial visibility."

About the TASER 60

TASER 60 is a 5-year annual payment plan that integrates warranty coverage for an agency's current TASER Smart Weapons, as well as on-site spares so officers experience zero downtime. The yearly payment plan allows agencies to reliably budget for their TASER CEWs during a 5-year period.

About the Officer Safety Plan (OSP)

Axon's Officer Safety Plan combines our most popular products into one simple bundled contract. OSP historically included a 5-year term, a Smart Weapon, an initial Axon camera plus two camera upgrades, full warranty, repair and replacement coverage, and unlimited Evidence.com storage. Going forward, OSP will also include Signal Sidearm at pricing of \$109 per month per officer.

About Axon

Axon is a network of devices, apps and people that helps law enforcement become smarter and safer. Our mission is to protect life. Our technologies give law enforcement the confidence, focus, and time they need to keep their communities safe. Our products impact every aspect of an officer's day-to-day experience:

- **In the field** - Our Smart Weapons offer a less-lethal intermediate use of force response and our body-worn and in-car cameras collect video evidence to help capture the truth of an incident; and our mobile applications enable simple evidence collection.
- **At the station** - Our secure, cloud-based digital evidence management solution allows officers and command staff to manage, review, share and process digital evidence using forensic, redaction, transcription, and other tools.
- **In the courtroom** - Our solutions for prosecutors make collaborating across jurisdictions and agencies easy so that cases can be resolved quick and efficiently.

We work hard for those who put themselves in harm's way for all of us. To date, there are more than 187,400 licensed users from around the world and more than 195,000 lives and countless dollars have been saved with the Axon network of devices, apps and people.
