

## **Axon Announces Pricing of Public Offering of Common Stock**

SCOTTSDALE, Ariz., June 16, 2020 /PRNewswire/ -- Axon Enterprise, Inc. (NASDAQ: AAXN), the global leader in connected public safety technologies, today announced the pricing of an underwritten public offering of 3,000,000 shares of its common stock at a public offering price of \$92.00 per share. In addition, Axon has granted the underwriters a 30-day option to purchase up to an additional 450,000 shares of common stock. The gross proceeds from the offering, before deducting underwriting discounts and estimated offering expenses, are expected to be \$276 million, excluding any proceeds from the exercise of the underwriters' option to purchase additional shares. Axon intends to use the net proceeds from this offering for working capital and other general corporate purposes.

J.P. Morgan Securities LLC is acting as book-running manager for the proposed offering. The offering is expected to close on or about June 19, 2020, subject to customary closing conditions.

The shares are being offered by Axon pursuant to a shelf registration statement filed with the Securities and Exchange Commission (SEC). The final prospectus supplement relating to, and describing the terms of, the offering will be filed with the SEC and will be available on the SEC's website at [www.sec.gov](http://www.sec.gov). When available, copies of the final prospectus supplement and the accompanying prospectus relating to these securities may also be obtained by contacting J.P. Morgan Securities LLC at c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, New York 11717 or by telephone at (866) 803-9204.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities, in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction.
