About Axon

Axon is a technology leader in global public safety. Our [moonshot goal](#) is to cut gun-related deaths between police and the public by 50% before 2033. Axon is building the public safety operating system of the future by integrating a suite of hardware devices and cloud software solutions that lead modern policing. Axon's suite includes TASER energy devices, body-worn cameras, in-car cameras, cloud-hosted digital evidence management solutions, productivity software and real-time operations capabilities. Axon's growing global customer base includes first responders across international, federal, state and local law enforcement, fire, corrections and emergency medical services, as well as the justice sector, commercial enterprises and consumers.
