

Axon Unveils TASER 10

With a 10-probe capacity and maximum range of 45 feet, TASER 10 ushers in a new era of less-lethal technology

TASER 10 is the first key technology advancement for Axon following the announcement of its moonshot goal to cut gun-related deaths between police and the public by 50% in 10 years

SCOTTSDALE, Ariz., Jan. 24, 2023 /PRNewswire/ -- Axon Enterprise Inc., ("Axon") (NASDAQ: AXON), the global public safety technology leader, today announced the launch of the TASER 10 energy weapon. TASER 10 is the most sophisticated, accurate and effective TASER energy weapon to date. TASER 10 also marks the first key innovation unveiled by Axon following a recent announcement of a moonshot goal to cut gun-related deaths between police and the public by 50% in the next decade. TASER 10 is just one part of this larger movement to make change at a faster pace in public safety.
