Northland Capital Virtual Conference, Tuesday, December 16, 2025

About Axon

Axon (Nasdaq: AXON) is the global leader in public safety technology, relentlessly innovating to protect more lives in more places. Founder-led since 1993, Axon began with a mission to reimagine conflict in law enforcement and has grown into a global company serving everyone who takes on the responsibility of public safety, enterprise security, and national security — from first responders and governments to companies, frontline workers, and communities. Our trusted network connects TASER energy devices, cameras and sensors including body-worn, fixed and in-car cameras, drones and robotics, digital evidence and records management, real-time operations, immersive training, productivity tools, and AI-driven capabilities and insights. Designed to work seamlessly together, these solutions create a connected picture of safety that helps protect people and places with greater speed, clarity, and accountability.

Responsible Innovation at Axon

At Axon, innovation is inseparable from responsibility. We believe technology must serve humanity, and every product we build is designed to solve the real challenges our customers face in protecting their communities. That means developing solutions in close collaboration with the people who use them and grounding our work in transparency, fairness, accountability, and privacy. Our independent Ethics & Equity Advisory Council provides ongoing input and feedback that helps shape our approach, ensuring we remain thoughtful and aligned with community needs as technology evolves.
